More Laughs – Great Memories – Happier Players & Sponsors

ROGER CALDWELL: TRICK-SHOT ENTERTAINER

Roger has thrilled thousands of golfers at charity and corporate events, tradeshows and celebrity outings throughout the world. His unique blend of golf shots, funny gags and winning personality leaves a lasting and memorable impression on your guests and sponsors.

Along with a Pre or Post-Event Golf Show/Exhibition, Roger will also facilitate a unique cash game during play and encourage golfers to join him on wagering on the outcome. The Wager Game benefits the hosting charity by raising thousands of additional dollars.

Many of Roger's clients also create a sponsorship package to generate additional revenue/profits associated with his attendance. Along with the traditional options included in your existing sponsorship packages - having Roger wear sponsor branded apparel throughout the event will make a lasting imprint on your guests and Sponsors.

CenterLight Health System:

"Roger had our golfers & executives in stitches. Not only did he keep amazing them with his trick-shots, but he also managed to raise \$5,400 by having golfers wager against his entertaining shots."

Michael Shabot

Hope & Heroes Children's Cancer Fund:

"Our net profit was just over \$500,000 at our golf outing. Your Pre-Event, on-course antics and revenue game generated \$12,800 towards the profit. Thank you so much for not only what you do in organizing our event, but also for what you do on the golf course. Our players and sponsors continue to comment about you!"

Katie Lieby
